

# BECOME AN EVENT SPONSOR!

Do you want to support young Adventist entrepreneurs?

Do you want to use your business to expand God's Kingdom exponentially?

At our next event, we're bringing Adventist visionaries, founders, investors and innovators together to forward God's cause. Many young people in our church have the burning desire to start and run a missional business. They're looking for sustainable ways how to combine their talents with their calling. We are providing a platform for them where they can test their ideas, grow their business and receive funds to scale their organization.

This is what we plan to offer:

- cutting-edge workshops on product creation, marketing, sales, team building, business development, finances and much more
- keynotes from Adventist investors, innovators and industry leaders
- powerful testimonies from missional business leaders and entrepreneurial ministries
- valuable coaching sessions and/or networking opportunities
- our highly anticipated pitch competition with prizes up to \$15,000 (see next page)

We need sponsors to organize this event. Please prayerfully consider how much you can donate to this cause. Your support will empower missional entrepreneurs, Adventist business owners and The Hyve Foundation to literally reach millions of people around the globe!
