

President's Office

To Whom It May Concern:

this document serves as a letter of recommendation for Jesse Zwiker and the Hyve Foundation (hyveinternational.org)

In 2017, Jesse Zwiker and a few friends organized the first Hyve event in Berlin, Germany. They dreamed of creating a new way of bringing innovation, business and mission together that would contribute to advance God's work in a sustainable and scalable way. They call it missional entrepreneurship. They help start-ups and business owners see their calling through their businesses, using their influence in society for evangelistic impact, and also financial stewardship towards the church.

Each year, many individuals come from all over the continent to pitch their missional businesses, including centers of influence from the MENA Union, to get professional advice from business coaches and learn how to share the gospel with their customers, at this missional business conference. Several leaders from our conferences and unions attended the events and highly benefited from Hyve's inspiring content.

I strongly encourage you and your organization to welcome Hyve in your area and empower your membership to recognize and embrace this powerful concept of missional entrepreneurship.

Jesse Zwiker is an innovative and faithful church member, dedicated to the mission of the church from his youth. He is much appreciated for his relational skills and positiveness.

If you have any questions, please do not hesitate to contact me.

May God bless you and the ministry He has entrusted to you!

Sincerely
